ORGANIZATION PROFILE

Vision

To be the “centre-of-excellence” in providing quality health care for women and children in the country.

Mission

- To provide "excellence" in quality care through highest standards of expertise and passion.
- To demonstrate “Care and Warmth” so that patients are comfortable sharing, expressing and seeking support.
- To build “trust” by demonstrating genuine care for well-being, clear and transparent communication and swift responsiveness.

Quality Objectives

- Demonstrate Patient Centric Approach and action in everything we do
- Ensure Safety of Patients, Employees and other Service Providers.
- Monitor Access and Improve Performance to achieve Service Excellence and Patient Delight.
- Ensure Compliance to all Statutory, Legal, Safety and Environmental Requirements.
