HOSPITAL PROFILE

About the Hospital: BLK Super specialty Hospital

Dr. B L Kapur, an eminent Obstetrician and Gynecologist, set up a Charitable Hospital in 1930 at Lahore. In 1947, he moved to post-partition India and set up a Maternity Hospital at Ludhiana. In 1956 on the invitation of the then Prime Minister, Dr. B L Kapur initiated the project for setting up a 200 bed hospital in Delhi. The hospital was inaugurated by the Prime Minister, Pt. JawaharlalNehru on 2nd January, 1959.

In the late 1990s, the Trustees of the hospital felt the need to upgrade it to a tertiary care hospital and tied up with Radiant Life Care Private Limited to re-develop and manage the facility. Today, a modern state-of-the-art tertiary care hospital has come up in place of the old hospital. It is one of the biggest standalone private Hospitals in the National Capital Region today.

Vision:

To create a patient-centric, tertiary healthcare organization focused on non-intrusive quality care utilizing leading edge technology with a human touch.

Mission:

- Achieve Professional Excellence in delivering Quality care.
- Ensure care with Integrity and Ethics.
- Push frontiers of care through Research and Education.
- Adhere to National and Global Standards in Healthcare.
- Provide Quality healthcare to all Sections of Society

A passion for healing:

At BLK, they are passionate about delivering the highest standard of healthcare. Be it the finest Doctors, cutting-edge medicine, state-of-the-art infrastructure or nursing with a smile.

Hospital Management

The BLK Super Speciality Hospital is now being managed by Radiant Life Care Private Limited. Prior to taking over management of the Hospital, Radiant Life Care was responsible for financing and re-developing the erstwhile general hospital known primarily for mother & child care services and establishing in its place a ultra-modern and one of India's most comprehensive tertiary care Hospitals.

In order to manage the day to day operations of BLK Super Speciality Hospital, Radiant Life Care has deputed the entire leadership team including the CEO, Director - Finance & Strategy, Director - Operations & Planning, Head of Human Resources, Head of Marketing and Administration. In addition, Radiant Life Care has been effective in putting in place processes and global best practices encompassing both clinical and managerial facets of Hospital operations. Attainment of NABH & NABL accreditation in the very first year of operations is testimony to the hospital's commitment for patient safety and quality. Radiant Life Care continues to facilitate the pursuit of excellence by assisting in procuring of not only the best clinical and non-clinical talent but also state of the art equipment and technology enabling delivery of the highest standards of services to the patients.

Journey So Far

The hospital has gone from strength to strength over the last 2 years. Today, BLK Super Speciality Hospital offers one of the most comprehensive bouquets of services for tertiary & quaternary care, at par with country's most renowned institutes like AIIMS and Tata Memorial in Mumbai. We have India's largest Bone Marrow Transplant centre which is amongst the biggest in Asia as well. BLK Cancer Centre is amongst the regions' most comprehensive cancer centres of its kind, with over 100 beds dedicated for oncology services. Our Bariatric program is the largest in the Region. BLK was the youngest Hospital to have achieved NABH and NABL accreditations.

Besides the domestic patients, Hospital's international patient base has grown significantly over the last 12 months, owing to it being one of the most advanced healthcare facilities in the region.
