- Introduction
- History of Hinduja Hospital
- Philosophy, Mission, Vision and quality policy
- Basic facts about the Hospital
- Departments of Hinduja hospital
 - Clinical
 - Non-Clinical

PART 1

P.D. HINDUJA HOSPITAL AND MEDICAL RESEARCH CENTRE

The Late Shri.ParamanadDeepchand Hinduja in 1951 established a charitable hospital under “The National Health and Education Society”. Later the Hinduja foundation under the patronage of Sh. S.P.Hinduja, launched an U.S. \$30 million (about Rs 35 crore) project to develop this into a modern, technologically advanced Tertiary Care Hospital Medical Research complex. The Hospital project with 342 beds inclusive of 53 critical care beds was dedicated to the memory of late Sh. P.D. Hinduja and opened in August 1986. Today it is one of South Asia’s most modern centres for health care. It has a unique collaborations program with Massachusetts General Hospital, Boston and the Washington Hospital Centre, Washington D.C., U.S.A.

HISTORY

Behind the ultra-modern and internationally acclaimed in extending world class medical services which are offered at P.D. Hinduja National Hospital & Medical Research Centre, lies a 50 years old dream.

Shri Parmanand Deepchand Hinduja- a hard working philanthropist, laid down the foundation of the National Hospital, way back in 1951.

Hinduja Hospital is an **ultramodern multi-specialty tertiary care hospital with a Medical Research Centre in collaboration with Massachusetts General Hospital (MGH), Boston.**

The hospital has an inpatient capacity of 381 beds inclusive of 57 critical care beds in different specialties. As a tertiary care hospital, the services offered are comprehensive covering investigation & diagnosis to therapy, surgery & post – operative care. The inpatient services are complemented with a day centre, out-patient facilities and an exclusive centre for health check for executives.

LOCATION

Located in Mumbai, the heart of the financial and commercial capital of India, it is landmark in itself. Situated in Mahim, Veer Sarvakar Marg, its unique structure and immensity of size and its colour white and yellow edifice immediately distinguishes it from the rest of the surrounding.

PHILOSOPHY

‘To provide World Class Quality Health Care Services to all sections of the society’ with an emphasis on philanthropy.

MISSION

To create Hinduja Hospital as a world class medical institution by delivering quality medical care to all patients as well as continuing medical education to all doctors and training to nurses and by under taking basic and clinical research with a focused on the needs of the country.

VISION

Quality healthcare for all.

QUALITY POLICY

To our patients we commit our best we aim to

- Assure best outcome.
- Build seem less services.
- Create values.
- Satisfied with personalized care.

Pledge to set and practice high standards through an effectively quality management system and ensure that our services always meet the expected requirement of our clients and patients.

ACHIEVEMENTS

- The First Hospital Laboratory in India to be **accredited by the College of American Pathologists**.
- P.D. Hinduja Hospital is the second hospital in the city to receive the **NABH accreditation**, on July 1,2009.
- Hinduja Hospital was recently awarded the **IMC Ramakrishna Bajaj Award for Quality**.
