SWOT ANALYSIS OF S.S HOSPITAL:

STRENGTHS:

Team work

Staff is Flexible and Adaptable towards changes

OPPORTUNITIES:

NQAS Accreditation – National Level

AYUSHMAN BHARAT(Provide Treatment)

WEAKNESSES:

- **INFRASTRUCTURAL GAPS:**

- Hospital requires renovation and Construction, but the process is very slow from state PIU

- side

- many Condemned Buildings are yet to be demolished by State PIU .

- **MANPOWER:**

- More than half of the Class-I staff positions are vacant (Physician , Paediatrics, orthopaedics

- etc)

- 23/36 class IV Staff positions are vacant

- **THREATS:**

- Staff Attrition due to high salary in other Hospitals

- **ACHIVEMENTS OF THE HOSPITAL:**

- NQUAS Accreditation at State Level (2018-19)
 - Kaya-kalp Award (2017-18)
 - “SKOCH ORDER-OF-MERIT” Award for SNCU and Disability Certificate (2017)
 - LaQshya Certified at National level with Conditionality(2018).
 - Safe Delivery of Triplets in S.S Hospital (2018)
