ORGANIZATION PROFILE

Blue Berry Pharma Advisory was established on the April 1, 2011 in Mumbai, India.

Blue Berry Pharma Advisory, an independent consultancy company advising Indian & Overseas pharmaceutical companies with different business interests since April 2011. Subhash Seth is Chief Executive Officer and Owner of Blue Berry Pharma Advisory. Subhash Seth has over 39 years of global pharmaceutical experience. He was previously the Senior Vice President of International Business at USV Limited . He had global responsibility of sales and marketing of Active pharmaceutical ingredients (APIs) and Finished Dosage business. Subhash Seth has also worked with leading Indian pharmaceutical companies including Zydus Cadila and Torrent Pharmaceuticals. He has extensively travelled across the globe and has worked with innovators and top global generic companies.

Blue Berry Pharma Advisory advises healthcare product companies in developing strategies for the companies that can take them to next level of the horizon. Subhash Seth's focusses in advising clients in the areas of Strategic Planning, Business Development, Sales & Marketing.

Blue Berry Pharma Advisory is connected with a group of experts in different fields like a Regulatory, Legal Advice, Financial Advice & Training, Research & Development, Sales & Marketing Training. And these experts are located in India & a few different locations across the globe that enables to provide effective and timely solutions to our customers. Each of our expert has spent several years working in the pharmaceutical industry. This company's focus and depth of functional expertise allow us to satisfy customer's need.

Currently the company is advising mid-size Indian Pharma Companies & assisting US & EU companies to develop products from scratch & preparation of ANDAs, EU Dossiers & supply of Finished Dosages to clients.
