Introduction

Internship is an integral part of MBA Hospital and Health Management program. The organization, in which the intern has done Internship at is Deloitte consulting USI. The Organization is compliant to ethical practices with respect to clients as well as the employees. Deloitte has various services lines within the projects. The intern has worked in the Application Management Support (AMS) service line. The first few weeks after reporting to Deloitte were extensively for compliance trainings and obtaining certificates for the same. When all the formalities were done then the intern was allowed to enter the secured bay where the project is based. The final topic was decided after discussions with the mentors assigned at the organization and the topic was found to be **Study on an Outpatient Electronic Medical Record Adoption model (O EMRAM) resonating X Electronic Medical Record Software**. Accordingly the project took its own pace at the organization with lapsing weeks. The last month was given for the reporting and compiling the Dissertation project work. Simultaneously the intern was supposed to clear exams specific to the Deloitte's project requirements. The presentation for the Dissertation was reviewed by the Life Sciences and Health care Industry (LHSC) Director, Senior Managers, Managers and project Mentors. All in all the experience at Deloitte gave the confidence as a professional in the Health care Industry.

Goals of Internship

1. To develop responsibility, and professionalism in a real-world setting
2. To enhance skills in Healthcare segment with respect to providers and payers
3. To use college knowledge towards problem solving

About Deloitte

Deloitte provides industry-leading audit, consulting, tax, and advisory services to many of the world's most admired brands, including 70% of the Fortune 500. Deloitte functions across more than 20 industry sectors with one purpose: to deliver measurable, lasting results. Deloitte helps reinforce public trust in our capital markets, inspire clients to make their most challenging business decisions with confidence, and help lead the way toward a stronger economy and a healthy society. Deloitte has more than 210,000 professionals at member firms delivering services in more than 150 countries and territories. Revenues for the fiscal year 2014 were US\$34.2 billion.

These firms are members of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"). Each DTTL member firm provides services in particular geographic areas and is subject to the laws and professional regulations of the particular country or countries in which it operates. Each DTTL member firm is structured by national laws, regulations, customary practice, and other factors, and may secure the provision of professional services in its territory through subsidiaries, affiliates, and other related entities. Not every DTTL member firm provides all services, and certain services may not be available to attest clients under the rules and regulations of public accounting. DTTL and each DTTL member firm are legally separate and independent entities, which cannot obligate each other. DTTL and each DTTL member firm are liable only for their acts and omissions, and not those of each other. DTTL (also referred to as "Deloitte Global") does not provide services to clients.
