VISION

To engage people for the general advance of the general public and nation.

MISSION

To be the national leader in manpower and service outsourcing.

MANPOWER:-

TECHNICAL WORKFORCE

We are a main name in the specialized staffing administration industry with extraordinary mastery in finding the best ability. We know where and how the best specialized ability can be found and what it takes to pull in them. After understanding and assessing the business particular

necessities and the workplace of the customer, we search for the most capable experts for our customer. The workforce that achieves our customers through our thorough screening and choice process is to a great degree tried and true and devoted. To help our esteemed customers we additionally give Technical labor at a short notice to guarantee that there is no loss of profitability for the customer's business.

PARAMEDICAL

M/s. MJ Solanki is an authorized and ISO ensured arrangement that takes into account paramedical workforce necessities at human services divisions of both Public and Private. We are the pioneers with broad involvement in giving brisk and beneficial paramedical labor assets to driving clinics worked by Government of Gujarat. With the medicinal services division developing at a quick pace, there is an expanding acknowledgment on the significance of paramedical faculty. The human services conveyance frameworks are experiencing fast changes and the interest for gifted paramedical staff is on the ascent. They go about as a crucial machine gear-piece in the wheel of the medicinal services conveyance framework. Expanding quantities of private and corporate healing facilities have made an incredible interest for paramedics.

We, at MJ Solanki, comprehend that exclusive aptitude and experience isn't sufficient when the calling is tied in with managing life! While conquering any hindrance between the request and supply, we ensure that lone the best quality experts reach to our clients. The accomplishment of our customers bears declaration to our beneficial cooperation with them.

Our group of specialists led an intensive research for understanding the workforce prerequisites in broad daylight and private healing facilities. With the assistance of our inside and out learning of the business, we have effectively enrolled prepared and very much prepped Class-II and III labor assets at driving healing centers in Gujarat and crosswise over numerous urban areas in India.

ADMINISTRATIVE

The accomplishment of any business to a great extent relies on its kin and with regards to Administrative and Support staff, it is critical to have the most appropriate and able individuals on board! We understand this reality and consequently bolster our customers by offering them the correct faculty. With our particular arrangements and administrations, we go about as an accomplice in development for our customers and enable them to accomplish an edge over the

others. We give long haul and here and now legally binding staff and in addition lasting staff for each industry area.

We take into account a wide range of open and private divisions that range from social insurance to airplane terminals and from little scale collaborates to multinational organizations in India.
