Vaatsalya Healthcare Solutions Private Limited, Bengaluru

Vaatsalya Healthcare Solutions Private Limited was incorporated as a chain of hospitals in the early 2000's with a mission to bring 'affordable, accessible and appropriate' healthcare services to under-served areas. While a significant proportion of India's population lives in semi-urban and rural areas, majority of the healthcare facilities are in urban/metropolitan areas and are poorly accessible to these families. 'Vaatsalya Healthcare' aims at bridging this gap by building and managing hospitals/clinics in semi-urban and rural areas and bringing healthcare services where it is needed the most. Its vision is to transform the quality of life in India by bringing affordable, efficient and friendly healthcare within the reach of the average person. Vaatsalya currently has seven hospitals across Karnataka and Andhra Pradesh, and is in constant endeavor to expand their reach. Vaatsalya Healthcare intends to explore the district of Koppal for its next project.

While 70% of India's population lives in semi-urban and rural areas, majority of the healthcare facilities are in urban/metro areas and not accessible to these families. Vaatsalya is bridging this gap by building and managing hospitals/clinics in semi-urban and rural areas and bringing healthcare services where it is needed most. Its vision is to transform the quality of life in India by bringing affordable, efficient and friendly healthcare within the reach of the average person. Vaatsalya currently has seven hospitals across Karnataka and Andhra Pradesh.

Vaatsalya Hospital, is an award winning social enterprise, focused on building a network of hospitals in Tier 2 and Tier 3 towns in India. serving a total of 500+ beds.
