Introduction

IKS Health is the premier partner for ambulatory care organizations nationwide. Bringing an integrated solutions set, coupled with insight into industry trends and direction, the team at IKS helps organizations perform more effectively for better clinical, financial, and organizational outcomes.

Our global delivery system couples domestic, executive healthcare experience with a worldwide delivery team which brings round the clock services and solutions to our clients. Connecting with a dynamic, educated and growing workforce around the world, allows IKS to bring resources to our clients that the US healthcare shortage has struggled to fulfill.

Led by the founding partners and a dynamic team of veteran healthcare change-makers, the more than 5,000 employees of IKS stand ready to manage an annual client revenue of more than \$6 billion and supporting a total of 14,500 US providers.

Mission

Our mission is to provide the efficient delivery of excellent care.

We will deliver on this promise in a manner that makes it a joy for all to work with us, becoming the trusted partner that ensures financial success for our clients and healthier populations in our communities.

IKS Solutions

IKS Care: Suite of clinical support services that help providers deliver better clinical outcomes, better patient satisfaction, and lower medical costs, resulting in improved clinician engagement.

IKS Practice

Improve practice efficiency to increase clinician productivity, improve provider satisfaction, and enable growth and scalability of the practice.

IKS Margin

Comprehensive financial solution that maximizes revenue, maximizes cash, and minimizes the cost of collections.
