- Our industries**

Context is everything.

You don't do business in a vacuum.

You're competing in a complex environment encompassing technology, supply chains, skilled workers, accounting standards, competitors and probably more than a handful of regulators and tax authorities.

Our industry-focussed network is designed to anticipate and address your business needs. Together, our 169,000 people, deployed across 158 countries can both zoom out and see the big picture — the context — and zoom in on the right solution.

Find your industry below. And let's talk.

- **Aerospace and Defence**
- **Automotive**
- **Capital Projects and Infrastructure**
- **Chemicals**
- **Education**
- **Entertainment and Media**
- **Financial Services**
- **Government and Public Sector**
- **Healthcare**

- **Industrial Manufacturi**

Scope of services:

When you get right down to it, success is all about value and trust.

Value is a product of trust. The trust your clients have in you. The trust you have in your people, strategies, and systems. And the trust you have in your business advisors.

As the world's leading professional services firm, we know that value and trust are also the ingredients of a quality relationship - and that they are earned over more than a single engagement.

No matter how big you are, public or private, and in what industries or sectors you do business, we can help you work smarter, and reach your goals. Have a look at the services we offer, below. And let's talk.

- **Consulting**
- **Deals**
- **PwC's Global Crisis Centre**
- **Government Reforms and Infrastructure Development (GRID)**

PwC India Foundation

The PwC India Foundation was established in 2008 with the objective of making an impact in the areas of education and environment sustainability. Our thematic focus areas for next 3 years i.e. FY 2016-19 is Water, Hygiene and Sanitation (WASH), social entrepreneurship and issues of urban children, humanitarian response to natural disasters is embedded in our core objectives.

The foundation's initiatives revolve around:

1. **Empowering communities: Supporting programmes run by NGOs**
2. **Enabling participation: Involving our employees and using their expertise**
3. **Special initiatives: Addressing some of the fundamental challenges of our country**
