INTERNSHIP REPORT

About the organization

Deloitte provides industry-leading audit, consulting, tax, and advisory services to many of the world's most admired brands, including 70% of the Fortune 500. Deloitte functions across more than 20 industry sectors with one purpose: to deliver measurable, lasting results.

Deloitte helps reinforce public trust in our capital markets, inspire clients to make their most challenging business decisions with confidence, and help lead the way toward a stronger economy and a healthy society. Deloitte has more than 210,000 professionals at member firms delivering services in more than 150 countries and territories. Revenues for fiscal year 2014 were US\$34.2 billion.

These firms are members of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"). Each DTTL member firm provides services in particular geographic areas and is subject to the laws and professional regulations of the particular country or countries in which it operates. Each DTTL member firm is structured in accordance with national laws, regulations, customary practice, and other factors, and may secure the provision of professional services in its territory through subsidiaries, affiliates, and other related entities. Not every DTTL member firm provides all services, and certain services may not be available to attest clients under the rules and regulations of public accounting. DTTL and each DTTL member firm are legally separate and independent entities, which cannot obligate each other. DTTL and each DTTL member firm are liable only for their own acts and omissions, and not those of each other. DTTL (also referred to as "Deloitte Global") does not provide services to clients.

* Further the details of organisation cannot be shared as per confidentiality agreement.
