INTRODUCTION TO THE HOSPITAL

Narayana Health is a multi-specialty hospital chain in India, headquartered in Bengaluru. The hospital chain is among the largest telemedicine networks in the world. The group was founded in 2000 by Dr. Devi Shetty under the guidance of the Asian Heart Foundation. Today, it has 31 hospitals in 19 locations. In 2013, Narayana Hrudayalaya Pvt. Ltd. changed its brand name to Narayana Health. It is a public limited company run and managed by a team of professionals. An average of 150 surgeries are performed every day and an average of around 80,000 outpatients are seen every month. Narayana multispecialty hospital Jaipur is a perfect blend of technological excellence, complete infrastructure, competent care and heartfelt hospitality. It is a 250 bedded multi specialty tertiary care hospital, located at pratap nagar within a sprawling campus of 4.7 acres offering high quality affordable medical care to the people within Rajasthan and bordering states as well. Narayana hospital Jaipur was awarded the international accreditation from Joint Commission International (JCI) making it the first and only hospital in Rajasthan and central India to receive this prestigious recognition.
