ABOUT ORGANISATION

APOLLO GROUP

Counted among Asia's leading healthcare providers today, Apollo Hospitals Group has scripted one of the most magnificent stories of success that India has seen. Born as a 150-bed hospital in 1983, the Group has blossomed into a global health care system by itself, with an expanding footprint in the Country and overseas. The Group's futuristic vision has ensured that it continues to be in a position of strength at every touch point of the healthcare delivery chain.

Apollo Health and Lifestyle Limited (AHLL) is an Apollo Group initiative to take healthcare services from the hospitals settings closer to home within neighborhood locations in order to serve the community better.

Apollo Clinic was introduced with the vision of servicing local communities and making world-class healthcare for day-to-day needs accessible with a presence in neighborhoods.

Apollo Sugar provides end-to-end care and management of Diabetes and related complications.

Apollo Cradle was the first to introduce the concept of an exclusive, standalone healthcare center for women and pediatric care.

Apollo Spectra provides world-class surgical care that is accessible and at an affordable cost.

Apollo Diagnostics provides a full spectrum of high precision diagnostic services based on which Apollo's healthcare practitioners design and deliver the most appropriate treatment plan to reduce patient's mortality and morbidity levels

VISION:

For the next phase of development is to ‘Touch a Billion Lives.’

MISSION:

Our mission is to bring healthcare of International standards within the reach of every individual.

We are committed to the achievement and maintenance of excellence in education, research and healthcare for the benefit of humanity.

Apollo also pioneered the sensibility of Tender Loving Care (TLC) which continues to inspire hope, warmth and a sense of ease in patients and their families.

APOLLO DIAGNOSTICS

Apollo Diagnostics, a service fully dedicated to providing diagnostics for all age groups.

The diagnostic services provide Apollo’s healthcare practitioners with information about the presence, severity and cause of diseases in patients.

A team of expert pathology technologist and state-of-the-art diagnostic equipment, guided by Apollo’s 30-year legacy of excellence, ensure the quality and accuracy of test results.

With years of experience, Apollo diagnostics has been providing domestic and international patients with superior- quality and patient-focused medical care.

Quality healthcare will always be among their top concerns.
