Hospital overview

- Sterling hospital was originally known as Addlife Medical Institute Limited. However, now known as 'Sterling Hospitals'.
- In October 2001, the first hospital of the company, Sterling Hospital - Ahmedabad, was opened to public.

Mission:

- 'Excel and above all 'be ethical and honest' – never violate your conscience.
- 'We make a difference in everything we do'.
- 'We do everything on or before time'.
- 'We deliver quality – do more than what the client expects'.

Vision:

To be a 'Preferred Choice' provided for 'Ethical' 'Superior' 'Holistic' healthcare solutions.

To be 'Humane' 'Viable' & 'Patient Centric'.

1. Preferred Choice

First choice in Gujarat. Top 5 in India.

2. Ethical

No over medication, over surgeries and/or diagnostics.

3. Superior

Provides specialized 'high end services' at 'value for money' charge.

4. Holistic

Preventive and Curative. Comprehensive for selected specialties.

5. **Humane**

We treat our stakeholders (patients, employees & partners) with love, respect & care. A 'seva' mentality. To be a good corporate citizen.

6. **Viable**

We deliver profitable healthcare.

7. **Patient Centric**

Where Customer is GOD. Transparency in Operations.
