PART A

ORGANISATION PROFILE

HOSPITAL PROFILE

Medanta – The Medicity is one of India’s largest multi-super specialty institutes located in Gurgaon, a bustling town in the National Capital Region. Founded by eminent cardiac surgeon, Dr. Naresh Trehan, the institution has been envisioned with the aim of bringing to India the highest standards of medical care along with clinical research, education and training. Medanta is governed under the guiding principles of providing medical services to patients with care, compassion, commitment. Medanta – The Medicity brings together an outstanding pool of doctors, scientists and clinical researchers to foster collaborative, multidisciplinary investigation, inspiring new ideas and discoveries; and translating scientific advances more swiftly into new ways of diagnosing and treating patients and preventing diseases. A one-of-its-kind facility across the world, Medanta through its research integrates modern and traditional forms of medicine to provide accessible and affordable healthcare.

WHAT IS UNIQUE ABOUT MEDICITY? Medicity aims to functionally integrate within one campus and one management the facilities of medical care, teaching as well as research and development. It also offers to explore the possibility of integrating knowledge of traditional and alternative medicine with modern medicine, through means of scientific research. Medicity is led by Dr. Naresh Trehan, one of the leading luminaries in the medical world. Dr Trehan is a recipient of various national and international awards for excellence including highest national awards Padma Shri and Padma Bhushan, in recognition of his distinguished service to the nation. He has also served as personal surgeon to the President of India since 1991 and was formerly President of the International Society for Minimally Invasive Cardiac Surgery (ISMIC).

Medicity's team has attracted some of the most distinguished names in medical and non medical fields from all over the world.

INFRASTRUCTURE

Located across 43 acres in the new international business destination of Gurgaon, Medicity will be a 1600-bed institute of world standards with over 45 operating theatres, 1260-bedded IPD, with 350 Critical care beds. 24 OTs and 704 bedded IPD are functional as of now. EDUCATION Medicity will have a full-fledged medical college, the objective of which will be to produce highly competent general physicians and specialists who are socially sensitive and fully committed to principles of medical ethics. It will also make every attempt to erase the dividing line between clinical and non-clinical areas.

RESEARCH AND DEVELOPMENT

Medicity will have a state-of-the-art research and development centre integrated with the hospital and the teaching establishment. It is planned to be one of the best funded, staffed and managed medical R&D centre in the country. Its Research Advisory Committee will consist of 12 members from amongst the best known names in modern biology, including various areas of medicine.

TRADITIONAL MEDICAL PRACTICES An important objective of Medicity will be to validate – and integrate with modern medical system – those medical practices in our traditional and complimentary systems of medicine such as Ayurveda, Unani, Siddha and tribal systems that are compatible with science. SPECIAL INTERNATIONAL SERVICES Medanta offers personalized services to International patients that include Appointment Scheduling, Treatment Packages, Visa Assistance, and Hotel Reservations, among others, etc.

TELE-MEDICINE CENTRE has the state of the art technology and provides continuous access to various primary & secondary health centres in the remotest locations across India. It plans to connect 600 villages across India & provide connectivity to 56 African cities. Services Offered by Tele-medicine:-

HOSPITAL PHILOSOPHY

VISION & VALUES: Institute is governed under the guiding principles of providing affordable medical services to patient with care, compassion and commitment.

OBJECTIVES:

- ☐ To establish integrated tertiary care services incorporating over 20 super specialties of the highest quality.
- ☐ To form an integrated approach to achieve this where Pharmaceutical research, Biotechnology research and Health care delivery are conducted seamlessly.
- ☐ To incorporate the strengths of Traditional & Modern medicine to create newer therapies.
- ☐ To exploit potential of global healthcare by leveraging technology and hospitality services (medical value travel).
- ☐ To leverage the strengths for value added service in research and development, etc.
- ☐ To provide world class education and training.

POLICY

- ☐ Integrity-Medanta wants to be able to live by principles. Team Medanta work together to ensure the highest principles are adhered to and live by integrity and work by it.

- Compassion-Medanta's medical care professionals are people of compassion and empathy. Patients are not treated as numbers; they are referred to by name. Medanta staff cares about the patient's recovery and wellbeing.
- Transparency-Medanta will have the most transparent governance practices, outcomes and billing systems.
- Affordability-As medical care professionals, vision is to provide health care to all, and not just society's select few. Medanta endeavor to offer the best Medicare available at a reasonable, realistic cost. The overriding objective is to ensure that quality care is on offer to the widest possible strata of the community.
- Futuristic medical Practice- Medanta wants to be at the cutting edge of international medical practice. The techniques and equipment used are no different from what you would find in the most advanced economies of the world. Medanta's specialist staff scours the globe for the best practice to bring it home to India.

HOSPITAL LOCATION

Medanta is strategically located in NCR, 8 minutes from the international airport.
