LEARNINGS AND VALUE ADDITION.

INDUSTRY SECTOR PROFILE

IQVIA is the result of the 2016 merger of Quintiles, a leading global contract research organization, and IMS Health, a leading healthcare data and analytics provider [4] The name of the modern company honors the legacy organizations. IQVIA: I (IMS Health), Q (Quintiles), and VIA (by way of). Imagine a world where advances in data science and human ingenuity come together to provide creative solutions to improve human health. This is the vision of IQVIA. The mission is to help create a healthier world. IQVIA is a provider of biopharmaceutical development and commercial outsourcing services, focused primarily on Phase I-IV clinical trials and associated laboratory and analytical services, including consulting services. Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009 that failed to achieve its intended targets. We were given with the work of GFC -DA(Desktop assessment) which dealt with the document verification of different ULBs precisely.
