SWOT ANALYSIS

Strength

As GFC maintains data quality, manage field assessors on call.

Weakness

Time management - It was a 24*7 working schedule which affected one's health.

Opportunity

Awareness among people to achieve garbage-free city by 2025.

Threat

National-level project with target limitations and time boundary.

Learning and Value Addition

1. I learned from my internship that I can become a multi-tasker, how to interact with the seniors, improved my skills, and how to apply them.
2. We can take advantage of all the opportunities that come with it.
3. Work hard even if my task is small. It will help to build my good work ethic, and people will notice the effort.

Difference between theoretical and practical exposure

Theoretical Experience

1. Analysis of data for different cities.
2. Maintaining records in excel.

Practical Experience

1. Working on a Live Project.
2. Guiding and Managing the assessors for field survey.
3. Reporting and interaction with government officials.
4. No work-life balance.
