

Name: Tejashree Ajit Kanzarkar  
Stream: HM  
Roll no:1431

Summer Internship (April-June 2022)

Name of the organization: Sancheti hospital  
Location : Shivajinagar, Pune  
Name of mentor: Monika Chaudhary

## History

- Sancheti Institute for Orthopedic & Rehabilitation was established in 1965 & Sancheti Hospital for Specialized Surgery was started in 2008. Sancheti Hospital has state of the art infrastructure and equipments to conduct all the Specialities and Super- specillitie services.

## Vision

- To become world leaders in providing state-of-the art orthopaedic services.
- To reach out to the underprivileged and economically challenged patients and to provide innovative healthcare solutions to them.

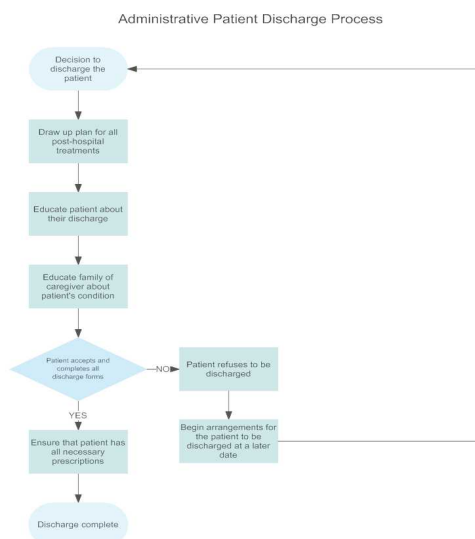

## Mission

- To lead by example and showcase to the world the best clinical practice in patient care, surgical expertise and academics.
- To anticipate the needs and meet the expectations of every single patient by providing customized solutions.
- To keep abreast with newer developments in the field of orthopaedic
- To undertake basic sciences and clinical research in order to improve the outcomes for patients.

## About Hospital

- Sancheti Hospital renders highly specialized services in all areas of orthopedic, which include Joint Replacement, Arthroscopy, Spinal Surgery, Rheumatology and Arthritis, Shoulder Surgery, Plastic and Reconstructive Surgery, Neurology, Hand and Microvascular Surgery, Faciomaxillary and Dental Surgery, Sports Injuries, Anesthesiology and so on. "it's a comprehensive orthopedic super specialty hospital with all subspecialties of orthopedic available under one roof "
- Sancheti Hospital is a destination and a tertiary reference center for most complicated cases in orthopedic across the country. It was also the official reference center for the Commonwealth Youth Games 2008-responsible for rendering all required medical services to athletes, coaches, support staff and spectators.
- "Sancheti Hospital's Sports Medicine Division caters to all the national and international teams in various sports, hence Sancheti acted as a medical partner for Commonwealth Games 2010 held in New Delhi, and the World Series Hockey held in 2012 at Pune."

## Learnings and value addition

## What is IPD?

- An inpatient department or IPD is a unit of a hospital or a healthcare facility where patients are admitted for medical conditions that require appropriate care and attention. An Inpatient Department of the hospital is equipped with beds, medical equipments, round the clock availability of doctors and nurses.

## Quality Department

- Data entry : Data entry is done from the feedback forms collected from the patient. It includes highlights and lowlights of the visit as well as time taken for each process in the hospital.

## Data Analysis

Data Analysis includes putting the data collected from feedback forms into excel sheets then using formulas given by NABH. The data is then converted into graphs / pie charts which is used for analysis and further reference.

## Medical audits

Open file audit includes :

- Admission form
- Patient education form
- Clinical notes
- Patient transfer form
- Implant details
- Clinical care pathway
- Face sheet
- Estimate form
- Care bundle checklist
- Medication chart

Consent audit includes:

- General consent
- Anaesthesia consent
- Blood transfusion consent
- Operative consent
- Vulnerable consent

Cut strip audit: cut strip policy includes storage and dispensing of individual medicine in transparent pouches . These pouches must be labelled with name of the medicine, expiry date and batch no.

## Quality Indicators

The NABH standards are documented in 10 chapters , which are as follows –

1. Access, Assessment and Continuity of care
2. Care of Patients (COP)
3. Management of Medication (MOM)
4. Patient Rights and Education (PRE)
5. Hospital Infection Control (HIC)
6. Continual Quality Improvement (CQI)
7. Responsibilities of management (ROM)
8. Facility management and Safety (FMS)
9. Human Resource management (HRM)
10. Information management (IMS)

## Emergency Codes
