TOPIC- IMPACT OF COVID-19 ON
TRANSPORTATION SECTOR AND MSMEs

INTRODUCTION

- THE WORLD BEEN HIT BY THE DEADLY DISEASE OF CORONA VIRUS. THIS ARTICLE TALK ABOUT HOW THIS PANDEMIC IMPACTED ON DIFFERENT SECTORS SPECIALLY TRANSPORTATION AND MSMEs.
- AS WELL AS HUGE LOSSES HAVING OF THIS TRANSPORT SECTOR OR MSMEs INDUSTRY AS ECONOMIC TERMS OF REDUCED TRAVEL DEMAND OR SUPPLY THAT'S WHY THESE SECTORS ARE GOING UNDER LOSS EVERYDAY BECAUSE OF LOCKDOWN

BACKGROUND

The key learning in this paper is that how transport sector had impact of Covid19 and how they are suffering from this huge problem of the pandemic as well as MSMEs sector. Collection of the data helped in understanding the situation of big and small companies that every sector has been going under loss and repayments of the loans are difficult for the middle class as many of them have already taken loan and all the investment done through the loan have faced no income due to lockdown.

OBJECTIVE

- THE OBJECTIVE OF THIS ARTICLE IS TO UNDERSTAND HOW TRANSPORT SECTOR HAS FACED A HUGE PROBLEM IN THIS PANDAMIC COVID-19. HOW THE SMALL TRANSPORTER PAY THEIR LOANS EVEN ALONG WITH THAT IN MANY COUNTRIES THE DEMAND FOR PASSENGER TRANSPORT HAS BEEN ADVERSELY HIT.
- HOW MANY SMALL AND MEDIUM COMPANIES HAVE INCURRED HUGE LOSSES IN THE LOCKDOWN.
- TO UNDERSTAND HOW THE DRIVERS EMPLOYED IN APP- BASED TAXI SERVICES ARE ECONOMICALLY SUFFERING IN DUE TO THE COVID-19 LOCKDOWN

METHODOLOGY

The methodology of the article of the transportation sector is based on reading the daily newspaper, media reports, interview videos of transport expertise and attending the webinars, and collected the data from all these sources that helped in understanding. Surfing the internet to recheck the sources has helped a lot in deepening the knowledge to write this article.

CONCLUSION

- AS WE ALL KNOW TRANSPORT SECTOR HUGE ROLE IN OUR LIFE IT'S HELP TO TAKE ONE PLACE TO ANTHORE PLACE.BUT DUE TO THIS PENDAMIC THE TRANSPORT SECTOR SUFFRING HUGE PROBLEM AND LOSSES
- REDUCED TRAVEL DEMANDS AND INDIA'S OVERALL ENERGY DEMAND FELL BY 11% IN MARCH 2020 DUE LOCKDOWN.
- AUTHORITIES MAY EXPECT BETTER RESULTS IN FUTURE POLICIES AIMED AT NUDGING SHORT TRIPS TO PEDESTRIANIZED NODES.
