Recommendations

- As more focus is need to aware rural women's about govt. schemes.
- Training program must need to be increase Entrepreneurship.
- Lack of market so proper knowledge and secession should be arranged.
- Cluster of women's needed to prepare as per their work profile.
- The women association and SHG's should make use of various Schemes and incentives introduced by the govt.
- Rotation of responsibility has to be made compulsory, so that it will lead to women's empowerment.
- Govt. should take interest regarding concessions & organizing more awareness program on women empowerment by using proper media.
- To encourage more & more women's GOVT. should arrange private training institutions Guidance and assistance.
